

## 9th Argentine Symposium on Computing Technology AST 2008 SECOND CALL FOR PAPERS

### Brief Description

The ninth ARGENTINE SYMPOSIUM ON COMPUTING TECHNOLOGY (AST2008) will be held in the city of Santa Fe, Argentina, September 4 to 12, 2008. The symposium, which is part of the 37th Argentine Conference on Informatics (37 JAIIO), will include topics related to all aspects of computing technology and its applications.

### Important Dates

Papers submission deadline: May 26, 2008

Notification of decision: July 7, 2008

Camera-ready deadline: July 18, 2008

Registration of one author per contributed paper: July 18, 2008

### Instructions for Authors

Original research papers are solicited in all areas of computing technology. The submission of manuscripts must follow the LNCS (Lecture Notes on Computer Science) format available at: <http://www.springer.de/comp/lncs/authors.html>. All contributions, of maximum 12-page length, should be submitted in PDF format. Papers in English are strongly recommended, although Spanish is also acceptable. All submissions will be handled electronically through the JEMS conference management system. Further instructions for uploading the manuscripts can be found in the Web page of the Symposium.

### Topics of Interest

Papers on all aspects of computing technology are welcome. These include, but are not limited to, the following:

- Real-Time Computing
- Computer Networks
- Wired and Wireless Networks
- Information and Communication Theory
- Digital Signal Processing
- Image Processing
- Embedded Systems
- Control Systems and Robotics
- Control Theory
- System Identification
- System Modeling and Simulation
- Sensor Networks

### Sponsoring Technical Society

SADIO, Sociedad Argentina de Informática

### Co-Chairs

Cecilia G. Galarza, University of Buenos Aires

Ricardo Sánchez Peña, Universitat Politècnica de Catalunya
